*Projected future economic impact

The Sports Commission evaluates each event to determine the total economic impact. The formula used is a product of the International Association of Convention and Visitors Bureaus. For larger endeavors, such as the International Children's Games, the Sports Commission employs the help of applied research experts, such as the Levin College of Urban Affairs, to conduct economic impact studies.

clevelandsports.org

The mission of the Greater Cleveland Sports Commission is to measurably enhance the economy, image and quality of life in the Greater Cleveland community by attracting and creating significant sporting events and activities.
